Domestic Guardrail Coordinator

The Stoddart Group is Australia's leading supplier and installer of building products to the residential market.

Due expansion the Stoddart Group require an organised, reliable and service orientated individual for its height safety equipment business – Scope Safety.

Daily activities in this role will include:

- Schedule and arrange the install & dismantle of height safety equipment,
- Manage Subcontractors,
- Liaise with customers and suppliers, and
- Maintain up to date information in our system

To be successful in this role you must be:

- Well organised with exceptional communication skills,
- Accurate with your work by paying adequate attention to detail.

Previous coordination experience is an advantage.

Please forward your application to: recruitment@stoddarts.com.au with 'Scope Coordinator' in subject line.
